Fazzoletto tricolore donne maremmane  
1849 usato nella manifestazione di Roma  
repubblicana

# Elenco volontari Massetani

The image shows a framed document with a title at the top center. The document is organized into a 3x3 grid of sections. Each section contains a list of names, likely the names of the volunteers mentioned in the title. The text is very blurry and difficult to read, but the layout is clear. The document is mounted on a dark background.
